

Higgins Coffee House Performance Guidelines

1. Students must attend a performance meeting/audition with Mrs. Aridgides and be accepted in order to be guaranteed a performance at the Coffee House.
2. In order to accommodate as many performers as possible, all performers / groups are limited to one selection.
3. A selection must be no longer than five minutes in length.
4. All selections must be approved by Mrs. Aridgides. Students will not be allowed to perform a selection that has not been pre-approved by Mrs. Aridgides.
5. Once students have chosen a selection and had it approved, they must commit to that selection. Students will not be allowed to change their selection for the performance.
6. Students should commit to their ensemble size. They should not add or subtract members before the performance.
7. Mrs. Aridgides will make final decisions about the performance program and order in which students perform.
8. Proceeds from the Coffee House will go to the Higgins Music Department to be used in ways to sustain and improve the Music Department.
